Risk Report

Credit Risk

The Company is solely focused on passing through the interest payments, which have been received from DZ BANK AG, to the owners of Trust Preferred Securities in the form of Trust capital payments. Therefore, the financial performance of the Company depends on the interest payments of DZ BANK AG, whereby the assignment for passing through the interest payments to the owners of Trust Preferred Securities depends, amongst others, on certain tests in relation to the financial position of DZ BANK AG.

The Trust commenced operations concurrent with the offering of 300,000 non-cumulative Trust Preferred Securities to various institutional buyers. The entire capital was used to acquire Class B Preferred Securities issued by DZ BANK Capital Funding LLC I, which in turn used the proceeds to acquire subordinated notes issued by DZ BANK AG.

The LLC Class B Preferred Securities were redeemable at the option of DZ BANK Capital Funding LLC I, in whole but not in part, on the Initial Redemption Date on November 11, 2008. DZ BANK Capital Funding LLC I did not make use of this option, but still has the option to redeem the Class B Preferred Securities, in whole but not in part, on any payment date thereafter.

Subject to the provisions contained in the Trust Agreement, upon redemption of the LLC Class B Preferred Securities, the Trust shall apply the Redemption Amount received in connection therewith to redeem pro rata the Trust Common Security and the Trust Preferred Securities. The Trust Preferred Securities will not have any scheduled maturity date and will not be redeemable at any time at the option of the holders thereof.

Accounting risks

Primary goal of the external accounting of the Company is the appropriate and timely provision of information for addressees of the financial statements and the management report. Therewith connected is the ambition to assure the correctness of the external accounting and for this reason to avoid the violation of accounting norms, which could lead to false information of the addressees or cause controlling errors.

As the Regular Trustees of DZ BANK Capital Funding Trust I are employees of DZ BANK AG, the regulation, monitoring, and control of the accounting is implemented into the general risk management system of DZ BANK AG. With regard to the financial statements and the management reporting, the accounting related risk management aims to avoid or reduce identified and valued operational risks. In this regard, the activities of the employees, the implemented controls, the used technologies, and the workflows are organized in a manner to assure the compliance with the applicable statutory provisions.

The relevant methods which are used to prepare the financial statements are specified in an organization manual and are updated regularly.

Furthermore, the established processes are reviewed continuously and, if necessary, adjusted with regard to new circumstances as well as modified statutory provisions. To ensure and enhance the quality of the accounting, the employees assigned to the reporting process are trained regarding statutory provisions and IT-systems in use.

The correctness of the form and content as well as the consistent application of the instructions and rules by the employees involved in the accounting process are audited by an audit company within the scope of the statutory audit.

Forecast of the Financial Year 2012

The result for the next six months of the financial year 2012 of the Company is expected to be positive. It is assumed that in 2012 the Company will continue to pass through the interest payments received from DZ BANK AG to the owners of Trust Preferred Securities as the above mentioned certain tests in relation to the financial position of DZ BANK AG are positive.
