Therefore the financial performance of the Company depends on the interest payments of DZ BANK AG, whereby the assignment for passing through the interest payments to the owners of Trust Preferred Securities depends amongst others on certain tests in relation to the financial position of DZ BANK AG and DZ BANK Group.

The Trust commenced operations concurrent with the offering of 350,000 non-cumulative Trust Preferred Securities to various institutional buyers. The entire capital was used to acquire Class B Preferred Securities issued by DZ BANK Capital Funding LLC III which in turn used the proceeds to acquire subordinated notes issued by DZ BANK AG.

Accounting risks

Primary goal of the external accounting of the Company is the appropriate and timely provision of information for addressees of the financial statements and the management report. Therewith connected is the ambition to assure the correctness of the external accounting and for this reason to avoid the violation of accounting norms which could lead to false information of the addressees or cause controlling errors.

As the Regular Trustees of DZ BANK Capital Funding Trust III are employees of DZ BANK AG the regulation, monitoring, and control of the accounting is implemented into the general risk management system of DZ BANK AG. With regard to the financial statements and the management reporting the accounting related risk management aims to avoid or reduce identified and valued operational risks. In this regard the activities of the employees, the implemented controls, the used technologies, and the workflows are organized in a manner to assure the compliance with the applicable statutory provisions.

The relevant methods which are used to prepare the financial statements are specified in an organization manual and are updated regularly.

Furthermore the established processes are reviewed continuously and if necessary adjusted with regard to new circumstances as well as modified statutory provisions. To ensure and enhance the quality of the accounting the employees assigned to the reporting process are trained regarding statutory provisions and IT-systems in use.

The correctness of the form and content as well as the consistent application of the instructions and rules by the employees involved in the accounting process are audited by an audit company within the scope of the statutory audit.

Forecast of the Financial Year 2012

The result of the financial year 2012 of the Company is expected to be positive.
